

Childhood TB for Healthcare Workers: an Online Course

Childhood TB for Healthcare Workers **Author:** International Union Against Tuberculosis and Lung Disease (The Union)

Publication Date: 2015

Format: Online Course

Physical Description: Online Course

Language: English, French

Abstract:

This online course covers how to diagnose, treat, and prevent childhood TB. The course consists of six modules: epidemiology, diagnosis, treatment, TB/HIV, prevention, and practice. The content is based on the World Health Organization's "Guidance for National Tuberculosis Programmes on the Management of Tuberculosis in Children" and the Union's "Desk Guide for Diagnosis and Management of TB in Children."
